PPO NETWORK VISION CERTIFICATE

This Certificate describes the vision benefits available to you as part of a Group Contract. It is subject to the terms and conditions of the Group Contract. This is not a summary plan description or an Employee Retirement Income Security Act (ERISA) Plan Document by itself. However, it may be attached to a document prepared by your Group that is called a summary plan description.

The actual Group Contract is between Medical Mutual of Ohio (Medical Mutual) and the employer or organization which pays or forwards the fees. The employer or organization will be referred to as the Group.

All persons who meet the following criteria are covered by the Group Contract and are referred to as **Covered Persons, you or your**. They must:

- apply for coverage under the Group Contract;
- pay for coverage if necessary;
- satisfy the conditions specified in the Eligibility section; and
- be approved by Medical Mutual.

Medical Mutual shall have the right to interpret and apply the terms of this Certificate. The decision about whether to pay any claim, in whole or in part, is within the discretion of Medical Mutual, subject to any available appeal process.

NOTICE:

IF YOU OR YOUR FAMILY MEMBERS ARE COVERED BY MORE THAN ONE HEALTH CARE PLAN, YOU MAY NOT BE ABLE TO COLLECT BENEFITS FROM BOTH PLANS. EACH PLAN MAY REQUIRE YOU TO FOLLOW ITS RULES OR USE SPECIFIC DOCTORS AND HOSPITALS, AND IT MAY BE IMPOSSIBLE TO COMPLY WITH BOTH PLANS AT THE SAME TIME. READ ALL OF THE RULES VERY CAREFULLY, INCLUDING THE COORDINATION OF BENEFITS SECTION, AND COMPARE THEM WITH THE RULES OF ANY OTHER PLAN THAT COVERS YOU OR YOUR FAMILY.

Medical Mutual of Ohio (Medical Mutual)

IMPORTANT: If you opt to receive vision care services or vision care materials that are not covered benefits under this plan, a participating vision care provider may charge you his or her normal fee for such services or materials. Prior to providing you with vision care services or vision care materials that are not covered benefits, the vision care provider will provide you with an estimated cost for each service or material upon your request.

PPO Network Providers are those Providers included in a limited panel of Providers designated by Medical Mutual to perform routine vision services. When utilizing PPO Network Providers, your benefits are based upon the Vision Allowed Amount.

When utilizing Non-PPO Network Providers, the maximum amount of reimbursement for the Covered Services you receive, after any applicable Copayments, is described below.

ELIGIBILITY

Applying for Coverage

Prior to receiving this Certificate, you applied for individual coverage or family coverage. For either coverage, you completed an Application. There may be occasions when the information on the Application is not enough. Medical Mutual will then request the additional data needed to determine whether or not to approve the enrollment. Coverage will not begin until your enrollment has been approved and you have been given an effective date.

Under individual coverage, only the Certificate Holder is covered. Under family coverage, the Certificate Holder and the Eligible Dependents who have been enrolled are covered.

Eligible Employees

An Eligible Employee is an employee who:

- works an average of 30 or more hours per week
- meets the eligibility criteria stated in the Group Contract and established by the Group
- has satisfied any applicable waiting period, which will not exceed 90 days

No person who is eligible to enroll will be denied enrollment based upon health status, health care needs, genetic information, previous medical information, disability or age.

Eligible Dependents

An Eligible Dependent is:

- the Certificate Holder's spouse, as defined in your Group's plan documents and/or summary plan description, provided you are not legally separated;
- the Certificate Holder's Domestic Partner;

To be considered an eligible Domestic Partner, the Certificate Holder and the Domestic Partner:

- must cohabit and reside together in the same residence, reside together in the same residence for at least six months and intend to do so indefinitely;
- must be engaged in an exclusive and committed relationship and be financially interdependent;
- both must at least 18 years of age and be each other's sole Domestic Partner;
- must not be married or separated from anyone else;
- must not have had another Domestic Partner within six months of establishing the current Domestic Partnership;
- must not be related by blood; and
- must not be in this relationship solely for the purpose of obtaining benefits coverage.

The Certificate Holder must provide a Domestic Partner Declaration, with supporting documentation, to Medical Mutual prior to enrolling the dependent Domestic Partner.

- the Certificate Holder's, spouse's or Domestic Partner's:
 - natural children;
 - children placed for adoption and legally adopted children;
 - children for whom either the Certificate Holder, Certificate Holder's spouse or Domestic Partner is the Legal Guardian or permanent Custodian; or
 - any children who, by court order, must be provided health care coverage by the Certificate Holder, Certificate Holder's spouse or Domestic Partner.
- stepchildren, provided the natural parent remains married to the Certificate Holder and resides in the household.

To be considered Eligible Dependents, children's ages must fall within the age limit specified in the Schedule of Benefits.

Eligibility will continue past the age limit for dependent children who are unmarried and primarily dependent upon the Certificate Holder for support due to a physical handicap or intellectual disability which renders them unable to support themselves. This incapacity must have started before the age limit was reached and must be medically certified by a Physician. You must notify Medical Mutual of the dependent child's desire to continue coverage within 31 days of reaching the limiting age. After a two-year period following the date the dependent child meets the age limit, Medical Mutual may annually require further proof that the dependence and incapacity continue.

Qualified Medical Child Support Order

In general, a Qualified Medical Child Support Order (QMCSO) is a court order that requires a Certificate Holder to provide medical coverage for his or her children (called alternate recipients) in situations involving divorce, legal separation or paternity dispute. A QMCSO may not require the plan to provide any type or form of benefit, or any option not otherwise provided under the Plan, except as otherwise required by law. This plan provides benefits according to the requirements of any QMCSO as defined by ERISA section 609(a). The Group will promptly notify affected Certificate Holders and alternate recipients if a QMCSO is received. The Group will notify these individuals of its procedures for determining whether medical child support orders are qualified; within a reasonable time after receipt of such order, the Group will determine whether the order is qualified and notify each affected Certificate Holder and alternate recipient of its determination. A copy of the Group's QMCSO procedures is also available upon request from the Group, without charge.

Once the dependent child is enrolled as an alternate recipient under a QMCSO, the child's appointed guardian will receive a copy of all pertinent information provided to the Certificate Holder. In addition, should the Certificate Holder lose eligibility status, the guardian will receive the necessary information regarding the dependent child's rights for continuation of coverage under COBRA.

Effective Date

Coverage starts at 12:01 a.m. on the effective date. The effective date is determined by your Group and Medical Mutual. No benefits will be provided for services, supplies or charges Incurred before your effective date.

Changes in Coverage

If you have individual coverage, you may change to family coverage if you marry or Declare a Domestic Partnership or you or your spouse or Domestic Partner acquire an Eligible Dependent. You must notify your Group benefits administrator who must then notify Medical Mutual of the change.

A spouse and other Eligible Dependents (other than Domestic Partners) who become eligible by reason of marriage will be effective on the date of the marriage if an Application for their coverage is submitted to Medical Mutual within 31 days of the marriage. A newly eligible Domestic Partner may be added only during an open enrollment period.

A newborn child or an adopted child will be covered for 31 days from birth or adoptive placement in the home. If payment of a specific premium is required to provide coverage for an additional child, you must submit an Application to Medical Mutual within 31 days of birth in order to continue coverage beyond 31 days for the additional child. Coverage will continue for the adopted child unless the placement is disrupted prior to legal adoption and the child is removed from placement.

If a premium change (as described above) is required and Medical Mutual is not notified of the change within 31 days of the event, the effective date of your coverage will be determined in accordance with the Group Contract. It is important to complete and submit your Application promptly as the date this new coverage begins will depend on when you apply.

Under Ohio law, certain changes in circumstance (i.e., moving back to Ohio) provide for an additional enrollment opportunity for dependent children. Contact your Group benefits administrator for additional information.

There are occasions when circumstances change and only the Certificate Holder is eligible for coverage. Family coverage must then be changed to individual coverage. In addition, your Group must be notified when you or an Eligible Dependent under your Certificate becomes eligible for Medicare.

Your Identification Card

You will receive identification cards. These cards have the Certificate Holder's name, subscriber number and group number on them. The identification card should be presented when receiving Covered Services under this coverage because it contains information you or your Provider will need when submitting a claim or making an inquiry. Your receipt or possession of an identification card does not mean that you are automatically entitled to benefits.

Your identification card is the property of Medical Mutual and must be returned to the Group if your coverage ends for any reason. After coverage ends, use of the identification card is not permitted and may subject you to legal action.

GENERAL PROVISIONS

How to Apply for Benefits

Notice of Claim; Claim Forms

A claim must be filed for you to receive benefits. Many Providers will submit a claim for you; if you submit it yourself, you should use a claim form. In most cases, you can obtain a claim form from your Group or Provider. If your Provider does not have a claim form, Medical Mutual or the PPO Network Provider will send you one. Call or notify Medical Mutual or the PPO Network Provider, in writing, within 20 days after receiving your first Covered Service or as soon as reasonably possible, and you will be sent a claim form. You may also print a claim form by going to medmutual.com/member.

If you fail to receive a claim form within 15 days after you notify Medical Mutual or the PPO Network Provider, you may send Medical Mutual or the PPO Network Provider your bill or a written statement of the nature and extent of your loss; this must have all the information required to process your claim.

Proof of Loss

Proof of loss is a claim for payment of vision services which has been submitted for processing with sufficient documentation to determine whether Covered Services have been provided to you. A completed claim with the correct information is required for processing.

Medical Mutual is not legally obligated to reimburse for Covered Services unless written or electronically submitted proof that Covered Services have been given to you is received. Proof must be given within 90 days of your receiving Covered Services or as soon as is reasonably possible. Except in the absence of legal capacity, no proof can be submitted later than one year after services have been received.

If you fail to follow the proper procedures for filing a Claim as described in this Certificate, you or your authorized representative, as appropriate, shall be notified of the failure and the proper procedures as soon as possible, but not later than five (5) days following the original receipt of the request. We may notify you orally unless you provide us with a written request to be notified in writing. Notification under this section is only required if both (1) the claim communication is received by the person or department customarily responsible for handling benefit matters and (2) the claim communication names a specific claimant, a specific medical Condition and a specific treatment service or product for which approval is requested.

How Claims are Paid

Your Financial Responsibilities

For Covered Services, Medical Mutual will calculate its payment based upon the Vision Allowed Amount.

You are responsible for paying Non-Covered Charges and Billed Charges for all services and supplies after benefit maximums have been reached. You may also be responsible for Excess Charges if your Provider does not accept the Vision Allowed Amount as payment in full. PPO Network Providers have agreed to not bill for any amount of Covered Charges above the Allowed Amount, except for services and supplies for which Medical Mutual has no financial responsibility due to a benefit maximum.

Your financial responsibilities include any Coinsurance and/or Copayments.

Coinsurance, Copayments and amounts paid by other parties do not accumulate towards benefit maximums.

Provider Status and Direction of Payment

Medical Mutual has agreed to make payment directly to PPO Network Providers.

The choice of a Provider is yours. After a Provider performs a Covered Service, Medical Mutual will not honor your request to withhold claim payment. Medical Mutual does not furnish Covered Services but only pays for Covered

Services you receive from Providers. Medical Mutual is not liable for any act or omission of any Provider. Medical Mutual has no responsibility for a Provider's failure or refusal to give Covered Services to you.

Medical Mutual has and retains the sole right to choose which Providers it will contract with, and on what terms, and to amend and terminate those contracts. Medical Mutual has and retains the sole right to designate Providers as PPO Network Providers.

You authorize Medical Mutual to make payments directly to Providers who have performed Covered Services for you. Medical Mutual also reserves the right to make payment directly to you. When this occurs, you must pay the Provider and Medical Mutual is not legally obligated to pay any additional amounts. You cannot assign your right to receive payment to anyone else, nor can you authorize someone else to receive your payments for you.

If Medical Mutual has incorrectly paid for services or it is later discovered that payment was made for services which are not considered Covered Services, then Medical Mutual has the right to recover payment, and you must repay this amount when requested.

Any reference to Providers as PPO Network Providers or Non-PPO Network Providers is not a statement about their abilities.

Explanation of Benefits

After your claim is processed, an Explanation of Benefits (EOB) is mailed to you. It lists Covered Services and non-covered services along with explanations for why services are not covered. It contains important amounts and a telephone number if you have any questions.

Time of Payment of Claims

Benefits will be provided under this Certificate within 30 days after receipt of a completed claim. If supporting documentation is required, then payment will be made in accordance with state and federal law. To have a payment or denial related to a claim reviewed, you must send a written request or call Customer Service at Medical Mutual within 180 days of the claim determination.

Filing a Complaint

If you have a complaint, please call or write to Customer Service at the telephone number or address listed on your Explanation of Benefits (EOB) form and/or identification card. To expedite the processing of an inquiry, the Certificate Holder should have the following information available:

- name of patient
- identification number
- claim number(s) (if applicable)
- date(s) of service

If your complaint is regarding a claim, a Medical Mutual Customer Service representative will review the claim for correctness in processing. If the claim was processed according to terms of the Contract, the Customer Service representative will telephone the Certificate Holder with the response. If attempts to telephone the Certificate Holder are unsuccessful, a letter will be sent explaining how the claim was processed. If an adjustment to the claim is required, the Certificate Holder will receive a check, Explanation of Benefits or letter explaining the revised decision.

Quality of Care issues are addressed by our Quality Improvement Department or committee.

If you are not satisfied with the results and your complaint is regarding an adverse benefit determination, you may continue to pursue the matter through the appeal process.

Benefit Determination for Claims (Internal Claims Procedure)

Claims Involving Urgent Care

A **Claim Involving Urgent Care** is a claim for medical care or treatment with respect to which the application of the timeframes for making non-urgent care determinations (a) could seriously jeopardize the life or health of the claimant

or the ability of the claimant to regain maximum function or (b) in the opinion of a Physician with knowledge of the claimant's medical Condition, would subject the claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Determination of **urgent** will be made by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; however, any Physician with a knowledge of the claimant's medical Condition can determine that a claim involves urgent care.

If you file a Claim Involving Urgent Care in accordance with Medical Mutual's claim procedures and sufficient information is received, Medical Mutual will notify you of its benefit determination, whether adverse or not, as soon as possible but not later than 72 hours after Medical Mutual's receipt of the claim.

If you do not follow Medical Mutual's procedures or we do not receive sufficient information to make a benefit determination, Medical Mutual will notify you within 24 hours of receipt of the Claim Involving Urgent Care and explain the applicable procedural deficiencies, or the specific deficiencies related to information necessary to make a benefit determination. You will have 48 hours to correct the procedural deficiencies and/or provide the requested information. Once Medical Mutual receives the requested information, we will notify you of the benefit determination, whether adverse or not, as soon as possible, taking into account all medical exigencies, but not later than 48 hours after receipt of the information.

Medical Mutual may notify you of its benefit determination decision orally and follow with written or electronic notification not later than three (3) days after the oral notification.

Concurrent Care Claims

If Medical Mutual has approved an ongoing course of treatment to be provided over a period of time or for a number of treatments, any reduction or termination by Medical Mutual of such course of treatment before the end of such period of time or number of treatments shall constitute an Adverse Benefit Determination (unless the reduction or termination of benefits is due to a health plan amendment or health plan termination). Medical Mutual will notify the claimant of Medical Mutual's determination to reduce or terminate such course of treatment before the end of the approved period of time or number of treatments at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of that adverse benefit determination before the benefit is reduced or terminated.

If Medical Mutual has approved an ongoing course of treatment to be provided over a period of time or for a number of treatments, any request to extend the course of treatment beyond the period of time or number of treatments that is a Claim Involving Urgent Care shall be decided as soon as possible, taking into account the medical exigencies, and Medical Mutual must notify the claimant of the benefit determination, whether adverse or not, within 24 hours after its receipt of the claim, provided that any such claim is made to Medical Mutual at least 24 hours prior to the expiration of the prescribed period of time or number of treatments.

Pre-Service Claims

A Pre-Service Claim is a claim for a benefit which requires some form of preapproval or precertification by Medical Mutual.

If you file a Pre-Service Claim in accordance with Medical Mutual's claim procedures and sufficient information is received, Medical Mutual will notify you of its benefit determination, whether adverse or not, within a reasonable period of time appropriate to the medical circumstances, but not later than 15 days after receipt of the claim. Medical Mutual may extend this time period for up to an additional 15 days if such an extension is necessary due to circumstances beyond the control of Medical Mutual. Medical Mutual will notify you of such an extension and date by which it expects to render a decision.

If an extension is needed because you did not provide all of the necessary information to process your claim, Medical Mutual will notify you, in writing, within the initial 15 day response period and will specifically describe the missing information. You will then have 45 days to provide the additional information. If you do not provide the information, your claim may be denied.

Post-Service Claims

A Post-Service Claim is any claim that is not a Pre-Service Claim or a Claim Involving Urgent Care.

If you file a Post-Service Claim in accordance with Medical Mutual's claim procedures and sufficient information is received, Medical Mutual will notify you of its benefit determination within a reasonable period of time, but not later than 30 days after receipt of the claim. Medical Mutual may extend this time period for up to an additional 15 days if

such an extension is necessary due to circumstances beyond the control of Medical Mutual. Medical Mutual will notify you of such an extension and date by which it expects to render a decision.

If an extension is needed because you did not provide the necessary information to process your claim, Medical Mutual will notify you, in writing, within the initial 30 day response period and will specifically describe the missing information. You will then have 45 days to provide the additional information. If you do not provide the information, your claim may be denied.

Adverse Benefit Determination Notices

You will receive notice of a benefit determination, orally as allowed, or in writing. All notices of an adverse benefit determination will include the following:

- the specific reason(s) for the adverse benefit determination;
- reference to the specific plan provision(s) on which the adverse benefit determination is based;
- sufficient information to identify the claim or health care service involved, including the date of services, the health care provider, and the claim amount, if applicable;
- a description of any additional material or information necessary to process the claim and an explanation of why such information is necessary;
- a description of appeal procedures and applicable timeframes, including the expedited appeal process, if applicable;
- if an internal rule, guideline, protocol or similar criteria was relied upon in making the adverse benefit determination, this will be disclosed, or you will be advised that information about the rule, guideline, protocol or similar criteria will be provided free of charge upon written request;
- if the adverse benefit determination was based on Medical Necessity, Experimental treatment or a similar exclusion or limit, then an explanation of the scientific or clinical judgment used for the determination applying the terms of the plan to your circumstances will be disclosed, or you will be advised that this explanation will be provided free of charge upon request; and
- notice of your right to bring a civil action under federal law following an adverse benefit determination after review on appeal, if your group is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Filing an Appeal

How to File an Appeal

If you disagree with a decision we have made on your claim, you may file an appeal. If you are enrolled in My Health Plan you can complete and submit a member appeal form which can be found under Resources and Tools/Forms/Member Appeal Form. You can also call Customer Care at the telephone number on your identification card to request a member appeal form or get more information about how to file an appeal. You may also write a letter with the following information: Certificate Holder's full name, patient's full name, identification number, claim number if your appeal is regarding a claim denial or payment, your reason for appealing including why you believe or decision was incorrect, the name of the vision provider and date of service. You may include any supporting information such as medical records or notes you would like considered in your appeal. Mail or fax your appeal to:

Medical Mutual
Member Appeals Department
PO Box 94580
Cleveland, OH 44101-4580
Fax: 216-687-7990

The appeal request must come directly from the patient unless he/she is a minor or has appointed an authorized representative. You can choose another person to represent you during the appeal process, as long as Medical Mutual has a signed and dated statement from you authorizing the person to act on your behalf. However, in the case of a claim involving Urgent Care, a healthcare professional with knowledge of your medical Condition may act as your authorized representative without a signed and dated statement from you.

Mandatory Internal Appeal

The plan offers a mandatory internal appeal. You must complete this mandatory internal appeal before any additional action is taken.

Mandatory internal appeals must be filed within 180 days from your receipt of a notice of adverse benefit determination. All requests for appeal may be made by submitting an appeal form, available on My Health Plan, or in writing as described in the "How to File an Appeal" section above.

Under the appeal process, there will be a full and fair review of the claim in accordance with applicable law for this plan. The internal appeal process is a review of your appeal by an Appeals Specialist, a Physician consultant and/or other licensed healthcare professional. The review of an appeal will take into account all comments, documents, medical records and other information submitted by you and the Vision Provider relating to the appeal, without regard to whether such information was submitted or considered in the initial benefit determination.

All determinations that involve, in whole or in part, issues of Medical Necessity, whether services are Experimental and Investigational, or any other medical judgment, are based on the evaluations and opinions of health care professionals who have the appropriate training and experience in the field of medicine involved in the medical judgment. The health care professionals who review the appeal will not have made any prior evaluations about your claim and will not be a subordinate of the professional who made the initial evaluation of your claim. These health care professionals act independently and impartially. Decisions to hire, compensate, terminate, promote or retain these professionals are not based in any manner on the likelihood that these professionals will support a denial of benefits. Upon specific written request from you, Medical Mutual will provide the identification of the medical or vocational expert whose advice was obtained on behalf of Medical Mutual in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination.

You may submit written comments, documents, records and other information relating to the claim that is the basis for the appeal. These documents should be submitted by you at the time you send in your request for an appeal. Upon written request, you may have reasonable access to and copies of documents, records and other information used to make the decision on your claim for benefits that you are appealing.

The appeal procedures are as follows:

Appeal of a Claim Involving Urgent Care

- You, your authorized representative or your Vision Provider may request an appeal of a claim involving Urgent Care. The appeal does not need to be submitted in writing. You, your authorized representative, or your Physician should call the telephone number on your identification card as soon as possible. Appeals of Claims Involving Urgent Care typically involve those claims for Medical Care or treatment with respect to which the application of the time periods for making non-urgent care determinations (1) could seriously jeopardize the life or health of a patient, or could affect the ability of the patient to regain maximum functions, or (2) in the opinion of a Physician with knowledge of your medical Condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. The appeal must be decided as soon as possible, taking into account the medical exigencies, but not later than 72 hours after receipt of the request to appeal. The expedited appeal process does not apply to prescheduled treatments, therapies, Surgeries or other procedures that do not require immediate action.

Pre-Service Claim Appeal

- You or your authorized representative may request a pre-service claim appeal. Pre-service claim appeals are those requested in advance of obtaining Medical Care for approval of a benefit, as it relates to the terms of the plan Benefit Book. The pre-service claim appeal must be decided within a reasonable period of time appropriate to the medical circumstances, but not later than 30 days after the receipt of the request and must be requested within 180 days of the date you received notice of an adverse benefit determination.

Post Service Claim Appeal

- You or your authorized representative may request a post-service claim appeal. Post-service claim appeals are those requested for payment or reimbursement of the cost for Medical Care that has already been provided. As with pre-service claims, the post-service claim appeal must be decided within 30 days of the request and must be requested within 180 days of the date you received notice of the denial.

All notices of a denial of benefit after an appeal will include the following:

- the specific reason(s) for the adverse benefit determination;
- reference to the specific plan provision(s) on which the adverse benefit determination is based;
- sufficient information to identify the claim or health care service involved, including the date of services, the health care provider, and the claim amount (if applicable);

- statement that you are entitled to receive, upon request and free of charge, reasonable access to and copies of, all documents, records, and other information relevant to your claim for benefits;
- if an internal rule, guideline, protocol or similar criteria was relied upon in making the adverse benefit determination, this will be disclosed, or you will be advised that information about the rule, guideline, protocol or similar criteria will be provided free of charge upon written request;
- if the adverse benefit determination was based on a Medical Necessity, Experimental treatment, or similar exclusion or limit, an explanation of the scientific or clinical judgment used for the determination applying the terms of the Plan to your circumstances will be disclosed, or you will be advised that this explanation will be provided free of charge upon request;
- a description of applicable appeal procedures; and
- notice of your right to bring a civil action under federal law following the denial of a claim upon review on appeal, if your group is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Claim Review

Consent to Release Medical Information - Denial of Coverage

You consent to the release of medical information to Medical Mutual and its vision PPO Network Providers when you sign an Application.

When you present your identification card for Covered Services, you are also giving your consent to release medical information to Medical Mutual and its vision PPO Network Providers. Medical Mutual has the right to refuse to reimburse for Covered Services if you refuse to consent to the release of any medical information.

Right to Review Claims

When a claim is submitted, the claim will be reviewed, to ensure that the service was Medically Necessary and that all other conditions for coverage are satisfied. The fact that a Provider may recommend or prescribe treatment does not mean that it is automatically a Covered Service.

Legal Actions

No action, at law or in equity, shall be brought to recover benefits within 60 days after Medical Mutual receives written proof in accordance with this Certificate that Covered Services have been given to you. No such action may be brought later than three years after expiration of the required claim filing limit as specified in the Proof of Loss section.

Coordination of Benefits

The Coordination of Benefits ("COB") provision applies when a person has health care coverage under more than one **Plan**. **Plan** is defined below.

The order of benefit determination rules govern the order in which each **Plan** will pay a claim for benefits. The **Plan** that pays first is called the **Primary plan**. The **Primary plan** must pay benefits in accordance with its policy terms without regard to the possibility that another **Plan** may cover some expenses. The **Plan** that pays after the **Primary plan** is the **Secondary plan**. The **Secondary plan** may reduce the benefits it pays so that payments from all **Plans** does not exceed 100% of the total **Allowable expense**.

Definitions

1. A **Plan** is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.
 - a. **Plan** includes: group and nongroup insurance contracts, health insuring corporation ("HIC") contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care

components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

- b. **Plan** does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; supplemental coverage as described in Revised Code sections 3923.37 and 1751.56; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under "a" or "b" above is a separate **Plan**. If a **Plan** has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate **Plan**.

- 2. **This plan** means, in a **COB** provision, the part of the contract providing the health care benefits to which the **COB** provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one **COB** provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another **COB** provision to coordinate other benefits.
- 3. The order of benefit determination rules determine whether **This plan** is a **Primary plan** or **Secondary plan** when the person has health care coverage under more than one **Plan**.

When **This plan** is primary, it determines payment for its benefits first before those of any other **Plan** without considering any other **Plan's** benefits. When **This plan** is secondary, it determines its benefits after those of another **Plan** and may reduce the benefits it pays so that all **Plan** benefits do not exceed 100% of the total **Allowable expense**.

- 4. **Allowable expense** is a health care expense, including Deductibles, Coinsurance and Copayments, that is covered at least in part by any **Plan** covering the person. When a **Plan** provides benefits in the form of services, the reasonable cash value of each service will be considered an **Allowable expense** and a benefit paid. An expense that is not covered by any **Plan** covering the person is not an **Allowable expense**. In addition, any expense that a Provider by law or in accordance with a contractual agreement is prohibited from charging a Covered Person is not an **Allowable expense**.

The following are examples of expenses that are not **Allowable expenses**:

- a. The difference between the cost of a semi-private Hospital room and a private Hospital room is not an **Allowable expense**, unless one of the **Plans** provides coverage for private Hospital room expenses.
 - b. If a person is covered by 2 or more **Plans** that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an **Allowable expense**.
 - c. If a person is covered by 2 or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable expense**.
 - d. If a person is covered by one **Plan** that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another **Plan** that provides its benefits or services on the basis of negotiated fees, the **Primary plan's** payment arrangement shall be the **Allowable expense** for all **Plans**. However, if the Provider has contracted with the **Secondary plan** to provide the benefit or service for a specific negotiated fee or payment amount that is different than the **Primary plan's** payment arrangement and if the Provider's contract permits, the negotiated fee or payment shall be the **Allowable expense** used by the **Secondary plan** to determine its benefits.
 - e. The amount of any benefit reduction by the **Primary plan** because a Covered Person has failed to comply with the **Plan** provisions is not an **Allowable expense**. Examples of these types of plan provisions include second surgical opinions, preauthorization of admissions, and preferred provider arrangements.
- 5. **Closed panel plan** is a **Plan** that provides health care benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the **Plan**, and that excludes coverage for services provided by other Providers, except in cases of Emergency or referral by a panel member.
 - 6. **Custodial parent** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

Order Of Benefit Determination Rules

When a person is covered by two or more **Plans**, the rules for determining the order of benefit payments are as follows:

1. The **Primary plan** pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other **Plan**.
2.
 - a. Except as provided in Paragraph "b" below, a **Plan** that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both **Plans** state that the complying plan is primary.
 - b. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the **Plan** provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan Hospital and surgical benefits, and insurance type coverages that are written in connection with a **Closed panel plan** to provide out-of-network benefits.
3. A **Plan** may consider the benefits paid or provided by another **Plan** in calculating payment of its benefits only when it is secondary to that other **Plan**.
4. Each **Plan** determines its order of benefits using the first of the following rules that apply:
 - a. Non-Dependent or Dependent. The **Plan** that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree, is the **Primary plan** and the **Plan** that covers the person as a dependent is the **Secondary plan**. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a dependent, and primary to the **Plan** covering the person as other than a dependent (e.g. a retired employee), then the order of benefits between the two **Plans** is reversed so that the **Plan** covering the person as an employee, member, policyholder, subscriber or retiree is the **Secondary plan** and the other **Plan** is the **Primary plan**.
 - b. Dependent child covered under more than one plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one **Plan**, the order of benefits is determined as follows:
 1. For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - The **Plan** of the parent whose birthday falls earlier in the calendar year is the **Primary plan**; or
 - If both parents have the same birthday, the **Plan** that has covered the parent the longest is the **Primary plan**.
 - However, if one parent's plan has some other coordination rule (for example, a "gender rule" which says the father's plan is always primary), we will follow the rules of that plan.
 2. For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - a. If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to plan years commencing after the **Plan** is given notice of the court decree;
 - b. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (1) above shall determine the order of benefits;
 - c. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (1) above shall determine the order of benefits; or
 - d. If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - The **Plan** covering the **Custodial parent**;
 - The **Plan** covering the spouse or Domestic Partner of the **Custodial parent**;
 - The **Plan** covering the **non-custodial parent**; and then
 - The **Plan** covering the spouse or Domestic Partner of the **non-custodial parent**.

3. For a dependent child covered under more than one **Plan** of individuals who are not the parents of the child, the provisions of Subparagraph (1) or (2) above shall determine the order of benefits as if those individuals were the parents of the child.
- c. Active employee or retired or laid-off employee. The **Plan** that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the **Primary plan**. The **Plan** covering that same person as a retired or laid-off employee is the **Secondary plan**. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled 4(a) can determine the order of benefits.
- d. COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another **Plan**, the **Plan** covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the **Primary plan** and the COBRA or state or other federal continuation coverage is the **Secondary plan**. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled 4(a) can determine the order of benefits.
- e. Longer or shorter length of coverage. The **Plan** that covered the person as an employee, member, policyholder, subscriber or retiree longer is the **Primary plan** and the **Plan** that covered the person the shorter period of time is the **Secondary plan**.
- f. If the preceding rules do not determine the order of benefits, the **Allowable expenses** shall be shared equally between the **Plans** meeting the definition of **Plan**. In addition, **This plan** will not pay more than it would have paid had it been the **Primary plan**.

Effect On The Benefits Of This Plan

1. When **This plan** is secondary, it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a plan year are not more than the total **Allowable expenses**. In determining the amount to be paid for any claim, the **Secondary plan** will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any **Allowable expense** under its **Plan** that is unpaid by the **Primary plan**. The **Secondary plan** may then reduce its payment by the amount so that, when combined with the amount paid by the **Primary plan**, the total benefits paid or provided by all **Plans** for the claim do not exceed the total **Allowable expense** for that claim. In addition, the **Secondary plan** shall credit to its plan Deductible any amounts it would have credited to its Deductible in the absence of other health care coverage.
2. If a Covered Person is enrolled in two or more **Closed panel plans** and if, for any reason, including the provision of service by a non-panel Provider, benefits are not payable by one **Closed panel plan**, **COB** shall not apply between that **Plan** and other **Closed panel plans**.

Right To Receive And Release Needed Information

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits payable under **This plan** and other **Plans**. Medical Mutual may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under **This plan** and other **Plans** covering the person claiming benefits. Medical Mutual need not tell, or get the consent of, any person to do this. Each person claiming benefits under **This plan** must give Medical Mutual any facts it needs to apply those rules and determine benefits payable.

Facility of Payment

A payment made under another **Plan** may include an amount that should have been paid under **This plan**. If it does, Medical Mutual may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under **This plan**. Medical Mutual will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Medical Mutual is more than it should have paid under this **COB** provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the Covered Person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Coordination Disputes

If you believe that we have not paid a claim properly, you should first attempt to resolve the problem by contacting us at 1-800-700-2583 or medmutual.com. In the event our phone number or website changes, refer to your identification card for the most current information. If you are still not satisfied, you may call the Ohio Department of Insurance for instructions on filing a consumer complaint. Call [1-800-686-1526], or visit the Department's website at <http://insurance.ohio.gov>.

Changes In Benefits or Provisions

The benefits provided by this coverage may be changed at any time. It is your Group's responsibility to notify you when these changes go into effect. If you are receiving Covered Services under this Certificate at the time your revised benefits become effective, Medical Mutual will continue to provide benefits for these services only if they continue to be Covered Services under the revised benefits.

Termination of Coverage

How and When Your Coverage Stops

Your coverage stops:

- By termination of the Group Contract including termination for non-payment. This automatically ends all of your coverage and you are not offered a conversion privilege. It is the responsibility of your Group to notify you of such termination.
- On the date a Covered Person stops being an Eligible Dependent or if coverage is extended for Full-time Student status, on the date the Full-time Student status ends. You are responsible for notifying Medical Mutual immediately of any change to the eligibility status of a Full-time Student.
- On the date that the Certificate Holder becomes ineligible.
- At the end of the period for which the premium was made when a Covered Person does not pay the next required contribution.
- On the day a final decree of legal separation, divorce, annulment or dissolution of the marriage is filed, a Certificate Holder's spouse will no longer be eligible for coverage, subject to any available conversion offer.
- On the date a Certificate Holder's Domestic Partnership terminates, the Domestic Partner will cease to be eligible for coverage.
- Immediately upon notice if:
 - a Covered Person allows a non-Covered Person to use his/her identification card to obtain or attempt to obtain benefits; or
 - a Covered Person materially misrepresents information provided to Medical Mutual or commits fraud or forgery.
