

Medical Mutual's Balanced Solutions®
Employer Groups 10–50

More ways
TO SAVE
Medical Mutual's Balanced Solutions® Plan

Balanced Solutions is Medical Mutual's unique level-funding solution geared toward business owners like you who are seeking ways to put money back in your pocket. This pre-packaged, self-insured product offers a consistent monthly premium and the opportunity to receive annual refunds of unused claims funding. This means you're rewarded when your claims come in lower than projected.

Easy Money Back in Your Pocket

As a new group enrolled in Balanced Solutions, you earn a \$150 implementation credit for each enrolled contract based on initial enrollment¹.

Participation Requirements

- Your group must be new to Medical Mutual with 10–50 employees (with a minimum of 10 enrolled)²

How You'll be Paid

Earned implementation credits will be applied as an invoice credit to your bill.

Even More Savings

Your Balanced Solutions plan can earn you even more back if your projected claims fund comes in lower than forecasted. On average, 65% of enrolled groups have received a refund.³

Imagine what your savings could look like:

Group Size	You get back
10 enrolled	\$1,500
20 enrolled	\$3,000
30 enrolled	\$4,500
40 enrolled	\$6,000
50 enrolled	\$7,500

For more information on this offer, talk to your broker or contact your Medical Mutual Sales representative today. You can also visit [MedMutual.com/BalancedCredit](https://www.MedMutual.com/BalancedCredit) today to learn more.

¹ This implementation credit is offered as a one-time credit.

² Active Medical Mutual groups switching platforms are not eligible for the implementation credit.

³ A group must renew to be eligible for a refund.
