COSE Benefit Plan

Health benefits designed exclusively for small businesses

Looking out for your small business

For many small businesses, the current health insurance landscape provides limited choice and flexibility when it comes to offering healthcare coverage to your employees. Medical Mutual has partnered with the Council of Smaller Enterprises (COSE) for more than 50 years through changing health insurance direction and legislation. Together, we've created the COSE Benefit Plan. The COSE Benefit Plan is a multiple employer welfare arrangement (MEWA) that offers predictable rates and a broad variety of self-funded plan options to small businesses with 1 to 50 total employee(s).

¹ Based on average group savings from moving to COSE Benefit Plan.

Qualifying is Easy

Businesses with 1–50 total employee(s), including sole proprietors and self-employed individuals

Corporate headquarters located in Ohio

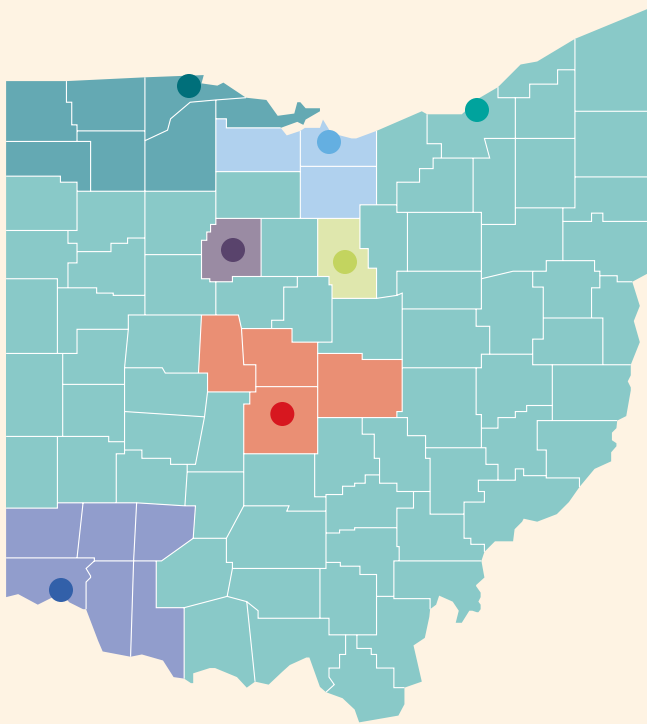

Any industry

Any small business across Ohio is welcome to join the COSE Benefit Plan

In addition to health benefits access, COSE and our affiliate chamber partners offer its members networking, educational events, advocacy on legislative and regulatory issues and other resources and solutions.

Small businesses located in an affiliate chamber region can access COSE Benefit Plan through their designated affiliate chamber.

- COSE (statewide access)
- Columbus Chamber of Commerce
- Cincinnati USA Regional Chamber
- Greater Sandusky Partnership
- Richland Area Chamber & Economic Development
- Toledo Regional Chamber of Commerce
- Wyandot Chamber of Commerce

“Enrolling in the COSE Benefit Plan has been one of the most valuable experiences. As a company with a healthy group of employees moving from an ACA plan to the COSE Benefit Plan saves each employee an average of \$1,000 per year. In addition, Medical Mutual made switching to the COSE Benefit Plan an easy and quick experience and ensured we have similar benefits that meet the needs of our employees. We would recommend the COSE Benefit Plan to any small business because of the savings and how easy it is to work with Medical Mutual.”

All qualifying businesses must enroll and maintain good standing with one of these organizations. Membership at COSE or an affiliate chamber partner is required if the business is located in a chamber region. To see if your business is located in a chamber region, view the map at COSEBenefitPlan.com/Chambers.
