*An annual deductible of $350 per person/$700 per family is applied first before any benefits are paid to Network Providers. Coinsurance is subject to an annual maximum of $1,050 per person/$2,100 per family. Once you have satisfied the Deductible and Coinsurance Out-of-Pocket Limit, the Plan begins to pay covered medical services at 100% except for penalties, which are not included in the 100% reimbursement provision.

** An annual deductible of $700 per person/$1,400 per family is applied first before any benefits are paid to Non-Network Providers. Benefits for Non-Network Provider services are based on an Allowed Amount. Coinsurance is subject to an annual maximum of $2,100 per person/$4,200 per family. Once you have satisfied the Deductible and Coinsurance Out-of-Pocket Limit, the Plan begins to pay covered medical services at 100% of the Allowed Amount, except for penalties, which are not included in the 100% reimbursement provision.

*** A Copayment of $250 is applied first before benefits are paid for the Non-Emergent use of the emergency room, to Network or Non-Network Providers. Benefits for Non-Network Provider services are based on an Allowed Amount. The Network Copayment and Coinsurance is subject to an annual maximum of $9,100 per person/$18,200 per family. Once you have satisfied the annual Maximum Out-of-Pocket, the Plan begins to pay covered medical services at 100% of the Allowed Amount, except for penalties, which are not included in the 100% reimbursement provision.

The age limit for an eligible dependent child is the end of the month which the child attains age 26. See Dental and Vision plan summaries for details.

2025 COG

Preventive Care Benefits and Services

Preventive care is one of the most important steps you can take to manage your health. Routine preventive care can identify and address risk factors before they lead to illness. When you prevent illness, it helps reduce your healthcare costs. You should work with your doctors to help you follow these guidelines and address your specific health concerns.

Child Preventive Care (Birth to Age 21)
