The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Please read the FEHB Plan brochure 73-017 & 73-899 that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure**. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at www.MedMutual.com/Feds and view the Glossary at www.MedMutual.com/Feds/ SBC. You can call 1-800-315-3144 to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$ 750**/Self Only **$ 1,500**/Self Plus One **$ 1,500**/Self and Family	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Certain **preventive care** and all services with **copayments** are covered and paid by the **plan** before you meet your **deductible**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost sharing** and before you meet your **deductible**. See a list of covered **preventive services** at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	**$ 6,500**/Self Only **$ 13,000**/Self Plus One **$ 13,000**/Self and Family	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.
What is not included in the out-of-pocket limit?	**Premiums**, balance-billed charges and health care this **plan** doesn't cover.	Even though you pay these expenses, they don't count toward the **out–of–pocket limit.**
Will you pay less if you use a network provider?	Yes. See MedMutual.com/Feds or call 1-800-315-3144 for a list of network providers.	This **plan** uses a provider **network**. You will pay less if you use a provider in the plan's **network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No	You can see the **specialist** you choose without a **referral**.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
