8. Terms and Conditions (please read and sign below)

By completing this enrollment application, I agree to the following:

MedMutual Advantage PPO plans are Medicare Advantage plans offered by Medical Mutual through a contract with the federal government. Enrollment in a MedMutual Advantage plan depends on contract renewal. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage I have or may get in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: Oct. 15 through Dec. 7 of every year), or under certain special circumstances.

Each MedMutual Advantage plan serves a specific service area. If I move out of the area that MedMutual Advantage serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Medical Mutual, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Medical Mutual when I get it to know which rules I must follow to get coverage with this plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date MedMutual Advantage PPO coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, Medical Mutual provides refunds for all covered benefits, even if I get services out of network. Services authorized by Medical Mutual and other services contained in my MedMutual Advantage Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR MEDICAL MUTUAL WILL PAY FOR THE SERVICES.**

I understand if I am getting assistance from a sales agent, broker or other individual employed by or contracted with Medical Mutual, they may be paid based on my enrollment in MedMutual Advantage.

For active employees receiving benefits from a group health plan of an employer that employs at least 20 employees, the Medicare Secondary Payer rules require that the non-Medicare group health plan be the primary payer and Medicare be the secondary payer. If the enrollee or enrollee's spouse is an active employee, the enrollee must enroll in the employer/union-sponsored and/or contributed-to non-Medicare group health plan in order to also be enrolled in the employer/union-sponsored Medicare Advantage plan. In other words, active employees cannot be enrolled in an employer/union-sponsored Medicare Advantage plan unless they also retain their employer/union-sponsored primary coverage. In these situations, Medicare payments to Medicare Advantage Organizations for these active employees are adjusted accordingly to account for the presence of the primary group health plan payer. It is the responsibility of the enrollee, not Medical Mutual or the plan sponsor, to enroll in the appropriate plan(s).

Proxy: I appoint the Secretary of Medical Mutual of Ohio as my proxy to act for me at any annual or special meeting of the members of Medical Mutual of Ohio. This proxy may be taken back at any time by mailing a letter to the Secretary.

Email Address: I understand if I have included my email address in this application, I am authorizing Medical Mutual to send me an email confirming they received my application.

Release of Information: By joining this Medicare health plan, I acknowledge that Medical Mutual will release my information to Medicare and other plans as is necessary for treatment, payment and healthcare operations. I also acknowledge that Medical Mutual will release my information including my prescription drug event data to Medicare, who may release it for research and other purposes that follow all applicable federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.
