

2026 Prescription Drug Formulary

ACA Advantage

PLEASE READ:

This document contains information about the drugs we cover in your plan. This formulary was updated October 1, 2025 and is subject to change.

Coverage is subject to the definitions, limitations, exclusions and parameters set forth in your official plan benefit documents. Please refer to your Certificate or Benefit Book for more information.

Multi-Language Interpreter Services & Nondiscrimination Notice

This document notifies individuals of how to seek assistance if they speak a language other than English.

Tagalog

PAUNAWA: Kung nagsasalita ka ng Tagalog, maaari kang gumamit ng mga serbisyo ng tulong sa wika nang walang bayad. Tumawag sa 1-800-382-5729 (TTY: 711).

Please Note: Products marketed by Medical Mutual may be underwritten by one of its subsidiaries, such as Medical Health Insuring Corporation of Ohio or MedMutual Life Insurance Company.

QUESTIONS ABOUT YOUR BENEFITS OR OTHER INQUIRIES ABOUT YOUR HEALTH INSURANCE SHOULD BE DIRECTED TO MEDICAL MUTUAL'S CUSTOMER CARE DEPARTMENT AT 1-800-382-5729.

Nondiscrimination Notice

Medical Mutual of Ohio complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex in its operation of health programs and activities. Medical Mutual does not exclude people or treat them differently because of race, color, national origin, age, disability or sex in its operation of health programs and activities.

- Medical Mutual provides free aids and services to people with disabilities to communicate effectively with us, such as qualified sign language interpreters, and written information in other formats (large print, audio, accessible electronic formats, etc.).
- Medical Mutual provides free language services to people whose primary language is not English, such as qualified interpreters and information written in other languages.

If you need these services or if you believe Medical Mutual failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, with respect to your health care benefits or services, you can submit a written complaint to the person listed below. Please include as much detail as possible in your written complaint to allow us to effectively research and respond.

Civil Rights Coordinator

Medical Mutual of Ohio
2060 East Ninth Street
Cleveland, OH 44115-1355
MZ: 01-10-1900

1-800-368-1019 (TDD: 1-800-537-7697)
- Complaint forms are available at:
hhs.gov/ocr/office/file/index.html

Products marketed by Medical Mutual may be underwritten by one of its subsidiaries, such as Medical Health Insuring Corporation of Ohio or MedMutual Life Insurance Company.

MEDICAL MUTUAL®

ACA Advantage Formulary

What is the ACA Advantage formulary?

The ACA Advantage formulary is a list of medications covered by your plan. It includes a variety of clinically effective medications that may cost you less than other options used to treat the same condition. The formulary includes five tiers:

1. Generic (lowest out-of-pocket cost)
2. Preferred brand
3. Non-preferred brand
4. Specialty (highest out-of-pocket cost)
5. Preventive (\$0 out-of-pocket cost)

Refer to your Certificate or Benefit Book for information about your cost share, including copays, coinsurance and/or deductibles. Not all tiers apply to all plans.

If you are a member of a plan that includes a preferred pharmacy network (e.g., CLE-Care), those preferred pharmacies may offer lower cost sharing to help you save money. Check your benefit materials for more details.

If a medication is not listed on this formulary, it will generally not be covered under the plan, and you will pay the full cost.

How do I use the ACA Advantage formulary?

Covered medications are organized two ways in the ACA Advantage formulary:

1. By condition
2. By name

If you know what your medication is used to treat, you can look it up by condition in the front of the document. If you don't know what condition it is used to treat, you can look for it in the alphabetical Index at the back of the document.

When you visit your doctor or health provider, ask him or her to review this formulary at MedMutual.com/2026drugs so he or she can see what medications are covered by your plan.

What if my doctor prescribes a medication that is not on the ACA Advantage formulary?

Talk with your doctor or health provider to see if the formulary includes a medication to treat your condition. In most cases, your provider will find one that meets your needs.

In the rare instance that none of the covered medications is appropriate for you and a non-formulary medication is required, your provider can contact Express Scripts and ask for a formulary coverage review by:

- Calling 1-800-753-2851. Your provider will receive a form to fill out and fax back to Express Scripts. Express Scripts will send you and your doctor a letter confirming if coverage is approved (usually within three business days of receiving the necessary information).
- Accessing our online tool at Express-PAth.com. Your provider can initiate new requests, complete existing requests or check the status of previously submitted requests.

If an exception is made based on medical necessity, you will only pay your plan's applicable cost share (e.g., non-preferred brand, specialty). If your provider does **not** request a coverage review and you fill a prescription for a non-formulary medication, you will pay the full cost.

How can I find a covered alternative if my medication is not on the formulary?

If you cannot find your current medication on the ACA Advantage formulary, you can find covered alternatives in two ways:

1. Visit [MedMutual.com/member](https://www.medmutual.com/member) and log in to My Health Plan.
 - Click “Benefits & Coverage,” then “Prescription Drug Benefits.”
 - Click the “Sign on to Express Scripts” button. Once you are redirected to the Express Scripts website, click “Prescriptions,” then “Price a Medication.”
 - Type the name of your medication in the Search bar and follow the instructions to see covered alternatives. On the results page, click “Visit My Rx Choices for potential savings” to identify lowest-cost prescription options based on your current benefit.
2. Call the Rx Information number on your Medical Mutual ID card. A Member Services representative can offer covered clinically appropriate alternatives.

Does the ACA Advantage formulary include generics?

Yes. The ACA Advantage formulary includes a large variety of generic medications to help you pay less out of pocket. Generics are shown in ***lower-case italic letters***.

Generic medications are approved by the U.S. Food and Drug Administration (FDA) as having the same active ingredient as their brand-name counterparts. In addition, the FDA requires generics to be just as safe and strong as their brand-name counterparts so you get the same medical benefit.

Does the ACA Advantage formulary include brand medications?

Yes. The ACA Advantage formulary includes a selection of brand medications in most categories. Brand medications are shown in ALL CAPITAL LETTERS.

included on the ACA Advantage formulary. You must fill prescriptions for these medications through one of Medical Mutual's contracted specialty pharmacies, Accredo or Gentry. In addition, you can only get a 30-day supply for most specialty medications.

If you are a member of a plan that includes a preferred pharmacy network (e.g., CLE-Care), you may be required to use specific preferred pharmacies for specialty drugs. Check your benefit materials for more details about ordering specialty medications.

Does the ACA Advantage formulary include contraceptives?

Yes. Certain prescription contraceptives are included on the ACA Advantage formulary at a \$0 cost share. Prior authorization, step therapy and quantity limit programs may apply. If your provider feels none of the covered contraceptives on the ACA Advantage formulary is right for you, he or she may contact our pharmacy benefit manager to request a formulary coverage review. If an exception is made to cover a non-formulary contraceptive based on medical necessity, Medical Mutual will cover that contraceptive. You will pay your plan's applicable cost share.

Are there other limitations or coverage rules in addition to what are listed in this guide?

Yes. Medications listed as covered may be subject to additional coverage rules and to your plan's benefits. In addition, Medical Mutual may limit the dose and/or overall quantity of medications you are able to receive to protect your safety. These limits are developed from evidence-based clinical best practices and both national and state prescribing guidelines. If you require a dose or quantity beyond the limits allowed, your doctor or your pharmacist can call Express Scripts at 1-800-753-2851 to begin the review process.

Do I have to use mail order for my maintenance medications?

If you are a member of a CLE-Care plan, you must fill mail-order medications through the MetroHealth Central Fill Pharmacy. Visit metrohealth.org/pharmacy for more information and to download a form.

If you are NOT a member of a CLE-Care plan, you may be required to use mail order for your maintenance medications (those you take for three months or more), depending on your plan. Please check your Certificate or Benefit Book for details.

Even if you are not required to do so, you may save money on your maintenance medications if you order them through the mail. In addition, you may be able to enroll in Express Scripts' Extended Payment Program. This allows you to split your cost share into three equal monthly payments while still obtaining the full amount of your prescription (limitations may apply).

To get started using mail order, ask your provider to write a prescription for up to a 90-day supply of your medication, plus up to three refills, if applicable. Then:

1. Complete the home delivery form you received in the mail from Express Scripts, and return it with your payment in the envelope provided. If you need another form, visit MedMutual.com and click "Member Forms" at the bottom of the page. Download and print the Prescription Drug Mail Order Form.
2. Ask your provider to call Express Scripts at 1-888-327-9791 for instructions on how to fax the prescription or use the e-prescribing system. Your provider must have your member ID number (which is on your Medical Mutual member ID card).
3. Call the Rx Information number on your Medical Mutual ID card. A Member Services representative can help you transfer your prescriptions to mail order.

When ordering through the Express Scripts PharmacySM, your medication should be delivered in about eight days (10-14 days if it's a new prescription). Please have a one-month supply of your medicine on hand when you place your order. You can check your order status by visiting the Express Scripts website through My Health Plan, or by calling the Rx Information number on your Medical Mutual ID card.

2026 Standard Plus Preventive Medications List (Generics Only)

In addition to a healthy lifestyle, getting preventive care and taking preventive medications can be an important step people take to avoid many illnesses and maintain good health.

Medical Mutual has adopted the following list of preventive medications to support this goal. This list provides examples of commonly prescribed preventive medications. We grouped the medications together based on the medical conditions they are used to prevent. This is not an all-inclusive list; only examples of medications in each category are listed. This list also does not guarantee coverage of a particular medication or describe the type of payment you may owe. Depending on your plan, you may not have to pay a copay, coinsurance or deductible amount for preventive medications. For more information about your cost of coverage, please check with your plan administrator and/or benefit information materials.

If you have questions about your preventive medication benefits, please call Customer Care at the number on your health plan identification.

List of Abbreviations

1A: Tier 1 Generic Standard Plus Preventative. These medications are available at \$0 cost-share on the Standard Plus Preventive list if you belong to an individual plan which has this benefit in place. If your plan does not have the Standard Plus Preventive list in place then your typical generic copayment will apply.

1B: Generic

2: Preferred Brand

3: Non-Preferred Brand

4: Specialty

5: ACA. These medications may be available at \$0 cost-share when used preventively.

ACA: ACA. These medications may be available at \$0 cost-share when used for primary prevention.

LA: Limited Availability. This prescription may be available only at certain pharmacies. For more information, please call Customer Service.

OTC: Over the Counter. An OTC drug is a non-prescription drug.

PA: Prior Authorization. The Plan requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the drug.

QL: Quantity Limit. For certain drugs, the Plan limits the amount of the drug that we will cover.

ST: Step Therapy. In some cases, the Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.
