

High-Cost Outlier Specialty Drug

Effective December 15, 2025, Medical Mutual requires that a unique reimbursement rate be agreed upon for certain high-cost specialty drugs. The provider can contact the network management contracting team to agree upon a reimbursement rate, which will be in line with one hundred percent (100%) of CMS or the wholesale acquisition cost (WAC) if there is no Medicare assigned rate. Unless there is an agreed upon reimbursement rate prior to claims submission, payment for these specialty drugs will be processed at one hundred percent (100%) of CMS or the wholesale acquisition cost (WAC) if there is no Medicare assigned rate.

The drugs listed below require a that a unique reimbursement rate be agreed upon for reimbursement:
