Continuous Passive Motion will be Considered Not Medically Necessary Beginning Dec. 28, 2020.

Medical Mutual is adopting the MCG™ Care Guideline® for continuous passive motion exercise devices. Effective Dec. 28, 2020, continuous passive motion will be considered not medically necessary.

For more details about services that may be considered not medically necessary, please visit <https://www.medmutual.com/For-Providers/Policies-and-Standards/CorporateMedicalPolicies.aspx> and select Not Medically Necessary Services Not Eligible for Reimbursement.
