2017 Pharmacy Directory

MedMutual Advantage HMO and PPO Plans

This pharmacy directory was updated 11/21/2017.

For more recent information or other questions, please contact Medical Mutual Member Services at (844) 404-7947 or, for TTY users, (800) 716-3231, 24 hours a day, seven days a week, or visit MedMutual.com/member.

Changes to our pharmacy network may occur during the benefit year. An updated pharmacy directory is located on our website at MedMutual.com/member. You may also call Member Services for updated provider information.

Introduction

This booklet provides a list of MedMutual Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and MedMutual Advantage's formulary.

When this pharmacy directory refers to "we," "us" or "our," it means Medical Mutual. When it refers to "plan" or "our plan," it means MedMutual Advantage.

We call the pharmacies on this list our network pharmacies because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under MedMutual Advantage only if they are filled at a network pharmacy or through our mail-order pharmacy program. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/21/2017.

For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Ohio, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies Outside Ohio or call us at (844) 409-7947 (TTY (800) 716-3231 for hearing impaired).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

MedMutual Advantage network pharmacies in your area are listed alphabetically by county and city.

Mail Order Pharmacies

Mail Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our network pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, please contact your pharmacy 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 21 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (800) 982-3117 (TTY 711).
