2018 Medicare Star Ratings*

The Medicare Program rates all health and prescription drug plans each year, based on a plan's quality and performance. Medicare Star Ratings help you know how good a job our plan is doing. You can use these Star Ratings to compare our plan's performance to other plans. The two main types of Star Ratings are:

1. An Overall Star Rating that combines all of our plan's scores.
2. Summary Star Rating that focuses on our medical or our prescription drug services.

Some of the areas Medicare reviews for these ratings include:

- How our members rate our plan's services and care;
- How well our doctors detect illnesses and keep members healthy;
- How well our plan helps our members use recommended and safe prescription medications.

For 2018, Medical Mutual of Ohio received the following Overall Star Rating from Medicare.

★★★★ 3.5 Stars

We received the following Summary Star Rating for Medical Mutual of Ohio's health/drug plan services:

Health Plan Services:	★★★	3 Stars
Drug Plan Services:	★★★★	3.5 Stars

The number of stars shows how well our plan performs.

- ★★★★★ 5 stars – excellent
- ★★★★ 4 stars – above average
- ★★★ 3 stars – average
- ★★ 2 stars – below average
- ★ 1 star – poor

Summary of Benefits

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the Evidence of Coverage.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as MedMutual Advantage Classic (HMO), MedMutual Advantage Choice (HMO) or MedMutual Advantage Plus (HMO)).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what MedMutual Advantage Classic (HMO), MedMutual Advantage Choice (HMO) and MedMutual Advantage Plus (HMO) cover and what you pay. If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or use the Medicare Plan Finder on Medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at Medicare.gov or get a copy by calling (800) MEDICARE (800) 633-4227), 24 hours a day, seven days a week. TTY users should call (877) 486-2048.

This document is available in other formats such as Braille and large print. This document may be available in a non-English language. For additional information, call us at (800) 982-3117.

Who can join?

To join, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Our service area includes the following counties in Ohio: Ashland, Brown, Butler, Carroll, Clark, Clermont, Columbiana, Cuyahoga, Delaware, Fairfield, Franklin, Fulton, Geauga, Greene, Hamilton, Hancock, Hocking, Holmes, Lake, Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, Montgomery, Morgan, Morrow, Perry, Pickaway, Portage, Seneca, Stark, Summit, Trumbull, Union, Warren, Wayne, Wood and Wyandot.

Which doctors, hospitals and pharmacies can I use?

Our plans have a network of doctors, hospitals, pharmacies and other providers. With an HMO plan, you must see an in-network provider for the plan to pay any amount on claims submitted on your behalf. If you go out of network, you will have to pay all charges due to the provider up to the full amount.

- You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.
- You can see our plan's provider directory at our website, MedMutual.com/MAplaninfo.
- You can see our plan's pharmacy directory at our website, MedMutual.com/MAplaninfo.
- Or call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, MedMutual.com/MAplaninfo.
- Or call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five tiers. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap and Catastrophic Coverage.
